Exhibitor Information & Registration Form

Come Join Us in Calgary, Alberta, Canada at the 2010 Canadian Geotechnical & Permafrost Conference

As Canada's premier geotechnical and permafrost conference in 2010, we invite you to join us "***In the New West***" at the Calgary Hyatt Regency as an exhibitor at the **GEO2010 Calgary** product and supplier trade show.

The 2009 GeoHalifax conference was a sell out success with 39 trade show booths provided and over 500 total delegates, exhibitors and sponsors registered over the three-day event. In 2010 we have no reason to expect fewer registrations – GEO2010's extensive plenary, technical and trade exhibition program will ensure that your firm will be well placed to connect and do business with this key audience of provincial and national industry leaders and decision-makers.

GEO2010 will feature a comprehensive trade show for suppliers, consultants, government and other firms wishing to demonstrate their products or services to the geotechnical and permafrost communities. ***We're pleased to announce that our trade show prices have not increased for the third year in a row!***

The trade show will open at 5:30 p.m. on Sunday, September 12, 2010 for the Ice Breaker and Exhibitor Reception and will run through at least until the afternoon coffee on Tuesday, September 14, 2010, and possibly until the end of the CGS Awards Cocktail Reception that evening.

To book your spot, please use the form on the last page of this information package. Should you have any questions or for more information, please contact:

Wayne Gibson, P.Eng.
GEO2010 Conference Manager
E-mail: wgibson@gibsongroup.ca

Lisa McJunkin
GEO2010 Conference Administrator
